

Are you in the mood to declutter? If so you can turn your unwanted clothes, CDs, shoes, and many other items into a donation for BRIGHT. It's an easy and effective way to donate to your favourite charity whilst decluttering your home.

Anyone can give to the charity when they sell on eBay. Sellers can donate between 10% and 100% of each item's sale price to charity.

Step 1: Select BRIGHT as your charity and a donation amount when you list an item on eBay

1. On your eBay listing, look for the charity ribbon and select the option to "Donate a portion to charity"
2. Select BRIGHT from the list of options.
3. Select the percentage (10-100 percent) of your selling price that you would like to donate.
4. Verify the charity and donation percentage on your item by checking the information included in the item description.
5. List your item and wait for it to sell!

Step 2: Sell & Ship

1. Sell your item as either a fixed price or auction listing.
2. Ship the item to the buyer after full payment has been collected.
The donation is not collected until the transaction is complete.

Please share this simple way of supporting BRIGHT with your friends and family and encourage them to sell their unwanted items for BRIGHT.
